CHOICE OF BUN

SENARI BUN

Plain Buns can be paired with any of the patties, so you can choose the one that suits your tastes best. With its soft texture, this bun offers more than meets the eye - with every bite, you'll feel the softness as it fills your mouth.

BEET ROCK BUN

Red bun, with beetroot extract, coated. Not just aesthetically appealing, this bun is also packed with nutrients, and smooth texture, it looks as great as it tastes!

TELUK KELUBI BUN

Buns were coated in carrot color extract. The carrot provides a touch of sweetness to the bun. Which meat would make the most flavorful burger? A duck or lamb patty would be a good choice!

KERiang BUN

We invented charcoal buns based on authentic local recipes. Unlike the traditional buns, the black color of these buns is produced from edible charcoal, which adds an interesting twist to the traditional bun.

CHOICE OF MEAT

We use only the finest meat in our patties, which are all made from scratch. Our patties are marinated and flavored with Herbal Infused Sea Salt, creating a juicy, tender, and delicious patty that will make your burger bite irresistible. With our 10 selections of patties, satisfying your cravings will no longer be a challenge.

STEAK F | CURLEY FRIES | WAFFLE FRIES | POTATO WEDGES
SWEET POTATO FRIES | ONION RING FRIES

SAUCES

Enjoy all of these sauces on your choice of fries and find out how the adventure spells out! Whether it is the MASALA sauce, the TERRIYAKI sauce, or the TOMATO ketchup, it all works well.

SMOKED CHEESE

Made in a classical way, this smoked cheese topping is meaty and earthy, with a hint of toastiness. A melted slice on your burger adds more depth to the savory patty.
