ALL ABOUT REBAK ISLAND SOCIAL REGATTA

REBAK ISLAND SOCIAL REGATTA

The inaugural **Rebak Island Social Regatta** took place on July 27th and 28th, 2024 originally conceived as an informal gathering for Langkawi's dynamic marina resident community. This community, made up of long-term liveaboards, plays a pivotal role in supporting local economies while significantly contributing to Langkawi's growing nautical tourism sector.

What began as a casual event quickly garnered international attention, attracting participants not only from Langkawi but also from Phuket, Singapore, Australia and Indonesia. Encouraged by this overwhelming response, Rebak Island Marina is proud to announce its commitment to making the regatta an annual event. This initiative reinforces Langkawi's position as a premier sailing destination while fostering a global sense of camaraderie and celebration among the sailing community.
